A MESSAGE FROM MRS. MEYMANN

Congratulations to our two second grade classes who have just celebrated the Sacrament of First Holy Communion. At this week's school Mass, these students performed "Our God is an Awesome God" for the rest of the student body and proudly joined grades 3-8 in receiving the gift of Jesus at Mass. After Mass, Father Kemper prayed over their new crosses and rosaries, providing a blessing. Please pray for our students who have recently received this Sacrament and for all those receiving a new Sacrament in the coming weeks. As a school, we will be having May Crowning, following our May 13th Mass. We have a tradition of having students bring in flowers to surround Mary as well. Please bring your bouquets to school on the morning of Friday, May 13th.

Last Friday our staff spent the afternoon reviewing safety procedures, particularly in the event of being alerted to dangerous intruders in the school or within the Harrison community. Several police departments joined forces in order to give each teacher practice in dealing with an experience we pray to avoid, that of having an active shooter in or near the school. Officers who have been trained in teaching students how to deal with active shooters will be presenting to our students on May 5th. Teachers have viewed the training videos in preparation for helping guide their students through drills. The student assemblies will divide the children by grade levels and each is geared toward the developmental level of that age group. For example, the message for the younger students is presented in an upbeat, entertaining video in which the main lessons include the importance of listening to the teacher's directions and "building a tower" which translates (for adults) into barricading the door. The older students are given more details and practice examples, but no graphic or frightening content is presented.

Although not a single American school has experienced a fire since a Chicago parochial school burned in 1958, all schools now practice monthly fire drills. With news reports on violent crimes in schools several times each year, it is clear all schools need to practice preparedness for possible crisis situations. St. John the Baptist will be the first school in the Harrison community to actively prepare students for such an emergency. Thank you to our PTC meeting attendees for initiating contact between the Harrison Police Department and the Delhi Police Department in order to make this a possibility and to expand our efforts to help keep our students safe.

All students residing in the Southwest Local School District should return the transportation request forms being sent home. Even if your child will only occasionally require bus transportation, please complete and return these important forms. The transportation department must have this information before students may be included in any bus route. Please return them to school by May 25.

Volunteer Opportunity

Our students participate each spring in our annual **Goodwill Games** held at the Harrison Community Center. We will be heading there on May 11 and need your help. Parents are needed to walk to and from the Center with our classes, help with the games, supervise groups as they play the games, and keep the students safe. There is a volunteer form coming home on Monday for you to return ASAP. This event goes from 9:15 - 12:30. Any and all help is greatly appreciated by the students and teachers.

Thanks so much!

Cub Scouts: The Adventure Begins

Boys, do you like camping, swimming, roasting marshmallows, BB's and learning archery? Would you like to build a model car from scratch and race it against your friends? Do you like arts & crafts? Laser Tag? Bowling? Cub scouts do all this and more!

Parents, would you like to see your son develop responsibility and a sense of good citizenship? Would you like to see him become a young man who cheerfully serves others? When he grows up do you want people to think of trustworthiness, loyalty and helpfulness when they hear his name? Do you want to join him in the adventures described above? Then cub scouts is definitely for your family!

Cub Scout Pack 408 is holding its spring signup night on Thursday, 5/5/2016, at 7 PM in the Community Room. Cub Scouts is open to all boys who will be in 1st thru 5th grades for the 2016-2017 school year. This means graduating Kindergartners are getting their first opportunity to join us for some scouting fun. For parents of boys in the 4's preschool program you may have heard of a new pilot program to introduce cub scouts at the beginning of Kindergarten rather than the end. That pilot begins in the fall so stay tuned for info about our September signup night.

For more information or if you can't make it on Thursday, contact Joe Combs at [513-202-4031](tel:513-202-4031) or jcombs10@gmail.com.
