Sunday's Gospel MT 28:16-20

"All power in heaven and on earth has been given to me. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age."

August

16 - 1st Day of School

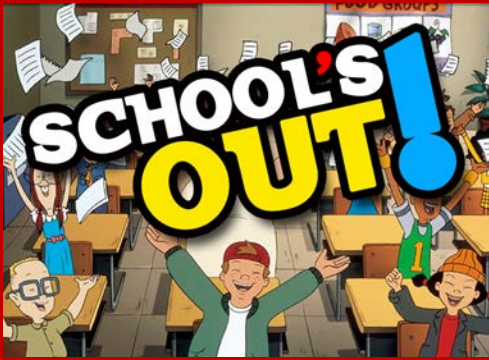

A MESSAGE FROM MRS. MEYMANN

What a week! We had a preschool circus, Relay for Life, a successful 8th grade graduation, and an end of kindergarten celebration. Yesterday, our enthusiastic group of volunteer parents made dozens of trips out into the rainstorms to ensure the younger students got their Kona Ice snow cones. Many students have spent their final day transporting supplies and boxes of books to "flipped classrooms" and taking much paper to the recycling container. At school mass, Father Jeff reminded everyone it is wonderful to enjoy life and to find humor, permitted we don't use it to humiliate or put down others. It was a great message to end a busy and productive school year. Key points to keep in mind for next year include:

- Look for a summer mailer by the end of July!
- 4th through 8th grades need their black athletic shorts for physical education classes
- Only the new plaid skirt or jumper is permitted for the girls next year
- Only the grey, zippered SJB sweatshirt or a blue sweater are permitted for indoor wear
- Mark August 14 on your calendar as your Back to School/Curriculum Preview Night
- Stay safe and healthy!
- Don't forget to read a few books this summer and review with the Simple Solutions!

Are you interested in running Cross Country in 2017 or do you have any questions about the program? If so, please contact the Program Coordinator, at olgeaglesxc@gmail.com. If you would like to be added to our email list for the upcoming season, please send an email with your contact information, school name and athletes name. I hope your son or daughter will join us this summer for the opportunity to get into running shape and make new friends.

Friday Folder Flyers

- Report Cards
- Festival Raffle Tickets were sent home this week

Reminders

- Have a fun, safe and enjoyable summer!!!

Festival Help and Signup

Workers are needed for the festival and online registration is now open. Here are the links.

St. John's Junior Girl Scout troop of 4th graders planted a butterfly garden at school this week as part of their animal habitat badge activities. The garden is located right between the preschool playground and the preschool door. As the plants grow bigger, we expect to see an increase in butterfly activity which aids in preserving their habitat. Areas filled with butterflies benefit with pollination and natural pest control. Butterflies are also an important part of the food chain, providing food for birds, bats, and other animals. With the generous donation of a couple parishioners, we are excited to help bring the wonder and beauty of butterflies to St. John!

Fall 2017 Fall Soccer Update
