### A MESSAGE FROM MRS. HERRMANN

We have made it through the first full week of school! Although it has been hot, it was a great week! Students participated in the first fire drill of the year. Students exited the building quietly and waited in line as attendance was taken. Students in our 4th-8th grade learned about our before-school band program they can join. The buses are running more on time and students have learned what bus they need to get on. Our youngest students will begin Preschool and Pre-Kindergarten next week and we are excited to have them in the building with us! I am looking forward to a great rest of the year! Just a reminder that school will be closed on Monday, September 3rd for Labor Day.

Teachers in grades 2 through 8 use Option C for their grade books, although some have developed their own goggle websites and information pages for communicating with parents. You will need to use the same username and password that you used last year to access OptionC. Our school code is 8274. If you have forgotten your username, please contact the school office. If you have never logged in or are new this year, please contact the school office for your username and password. Although every teacher grades and updates on their own time, parents should expect to see at least one new grade for their child in each subject each week. Tests, quizzes, cumulative and research projects are weighted more heavily than homework, but all play a part in each child's final grade. I encourage parents to contact teachers directly with questions or concerns related to student performance.

Congratulations to the 5/6 grade girls soccer team who competed in the pre-season HOTFIRE MEMORIAL TOURNEY at TCYO fields over the last two weekends. They played 6 games over four days and finished with a record of 4-0-2. The semifinal game was a heart stopping 2-1 win in overtime and they took the championship with a 1-0 win over a talented OLV team. They are the first SJB team in the programs history to win the championship. Congratulations girls!!
