A MESSAGE FROM MRS. MEYMANN

Take some time during the next two weeks to make sure your children's full-length uniform pants are well stocked as **Thursday, October 30 is the last day shorts will be permitted until spring.** The student handbook reminds us the color red is now acceptable for cardigans, tights and solid sweatshirts as well as navy blue. Sweater vests are also handsome options and look well with our uniform plaid. Hoodies in any color are not considered part of our approved uniforms, but may be worn as outer wear to recess and then removed once inside.

Has your family practiced what to do in case of a fire at your home? National Fire Safety Awareness Week is concluding, and many classes have had visitors from firefighters to review fire safety precautions and to learn about what to expect if a firefighter in full uniform ever needs to help them escape. For our monthly fire drill, the students and staff evacuated in just one minute and thirty-one seconds, our school record for efficiency! Students also had the opportunity to participate in the Harrison Township Fire Safety Coloring Contest; winners have yet to be announced. Please take a few moments to review your safe escape plans at home and to make sure everyone knows where to meet in an emergency.

Enjoy your weekend!

Congratulations to

the Eagles Cross Country team. The girls' 7th grade team took second at the SMAC Invitational. The team was led by St. John's runner **Danielle Montgomery**. St. John's runners **Hunter Cupp** and **Ryan Crail** also helped the boys' 8th grade team to a second place finish at the Harrison Invitational.

The Annie Moses Band has been inspiring and entertaining audiences for over a decade, bringing their distinctive style of music across the nation and around the world. A captivating blend of folk and classical, the Annie Moses Band is a talented ensemble of songwriters, singers, and musicians, combining technical skill with exhilarating showmanship.

The Band's innovative sound has delighted audiences around the world - in record breaking numbers of airings on PBS and on stages as diverse as Carnegie Hall and the Grand Ole Opry.
