Lunch Payment Policy

- For your convenience, we encourage families to add money to their student's lunch account with a credit card by creating a K12 Payment Center account (see below for more information). You are not required to use this payment method for your student's lunches; you can continue to send in cash or check with your student.
- Money is not handled in the lunch line; all lunch money must be handled either via the K12 Payment Center online or be collected in person in homeroom and sent to the office.
- Lunch money collected in homeroom must be in an envelope, or in a baggy with a note, and clearly marked with the student's name and amount.
- No change is provided; all money received will be added to the student's lunch account.
- Money will be added to the student's lunch account on Mondays and Fridays. If Monday is a holiday, then the money will be added the first day of school that week (ex: Tuesday). Lunch money turned in on other days (except in the case of a Monday holiday) will be held and added to the student's lunch account on Friday.
- Payments made via K12 Payment Center are posted to your student's lunch account within one business day.
- Students will be allowed to charge lunch/milk purchases. Please check your student's K12 Payment Center account on a regular basis.

Begin Managing Your K12 Payment Center Account Today! For information about the K12 Payment Center and to register and manage your account, visit www.k12paymentcenter.com. To register for a K12 Payment Center account, you will need your student's Option C ID#. You can find your student's Option C ID# by logging into your Option C account. The "Option C ID" is shown to the right of your student's picture and below their name. It is either a 6-digit number beginning with 8 or 9, or a 7-digit number beginning with a 1.

What are the benefits of having a K12 Payment Center Account?

- It's quick and easy
- Payments are secure and your information is confidential
- You can see your account balance for free at any time on your computer or on your smart phone – the website is mobile-friendly!
- Recurring payments can be scheduled for weekly or monthly deposits or when your balance is low
- You can get automated text or email notifications any time your balance falls below a determined amount.
- You can deposit to multiple students' accounts with one payment
- You can see 120 days of meals and fees purchased and payments made – so you know where your money is being spent
- \$1.95 fee for payments up to \$100; 2.99% convenience fee for amounts over \$100
