UPDATE

A BIG thank you to the 41 students who brought in donations for the American Heart Association through our Kids Heart Challenge. We raised a total of \$1464.59 to help those dealing with heart problems and strokes. Our top fundraiser this year was Parker Smith in Grade 3. The students did a great job in PE class jumping rope, using jump sticks, and the older students did basketball shooting. All of these activities were beneficial to their hearts and lungs. Thanks again for stepping up to help out others. You are heart Heroes!
