The USDA and the state of Ohio have determined that all students, regardless of financial situation, may participate in the school lunch program for free through June 2021. **No child will be required to pay for lunch at St. John's during the waiver period (8/26-5/19). Extra entrees and individual milk are not considered complete "meals" in the school lunch program and are not covered by this waiver, but will be available for purchase just as they have been in the past.**
